### **Classified Ad Information**

The MPCA website has one classified section. No colors of dogs that are not in the MPCA standard approved by the AKC will be advertised. Ads are for kennels, litters or sale of a dog only. Classified ad text is limited to the total size of the ad which will be 345 px wide by 400 px high. All advertising (text, photo, logo) must fit in the allotted space. **Only one photo and one logo per classified ad.** Photo and logo may be emailed, and should be provided in jpg, gif or png format. Email information to [Marlex@aol.com](mailto:Marlex@aol.com).

Members that are AKC Breeders of Merit may include the AKC Breeder of Merit logo in addition to their photo and logo. If members want the AKC Breeder of Merit Logo added to their ad, they must provide documentation that they are indeed AKC Breeders of Merit. The AKC Breeder of Merit logo will be the same size, 150 px X 81 px, on **ALL** ads so that there is standardization.
